About Us

Orca Instruments is a 2013-founded business that is a trustworthy manufacturer and exporter of agricultural and scientific equipment. Our goal is to provide modern industrial and scientific solutions to our customers in the form of affordable high-quality products. In order to boost productivity and overall ROI, we encourage customer to buy from us. Being a prominent producer of Scientific and Industrial equipment, we provide Rice Broken Separator, Plant Growth Chamber, Seed And Grain Gamet Type Precision Divider, Laboratory Pipettes, etc. To prevent high quality of the completed items, we abide by strict safety regulations and pack the array in quality packaging material.

We can provide customers with precise, very accurate control and monitoring equipment to help you achieve efficiency and sustainability. We have been creating durable, high-quality instruments for many years and have successfully established a strong foothold in the market. Our provided the most reliable, portable, light-weight, robust, and smart moisture measuring device or meter in the market which is now called a digital moisture meter. In order to achieve exceptional performance, these products circuits have an anti-moisture treatment that are created using professional-grade electronic components. Further, taking into account are environmental moisture variations and temperature regulation.

Key Facts

Nature of Business	Manufacturer
No of Staff	25
Year of Establishment	2013
OEM Service Provided	Yes

Our Products

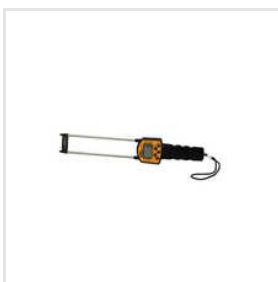

Data Logging Universal Moisture Meter

Handy Moisture Meter

Digital Moisture Meter

Handheld Moisture Meter

3 Digit LED Digital Moisture Meter

Universal Moisture Meter

Data Logging Agro Moisture Meter

Automatic Digital Moisture Meter

Indented Rice Length Grader

Mcgill Type Rice Miller

Paddy Husker And Polisher LTJM Type

Paddy De Husker And Rice Sheller

Universal Moisture Meter

Seed Grader And Paddy Cleaner

Grain Or Rice Sizing Device

Rice Polisher

ADDRESS

Plot No 53, Balaji Nagar, Shivpuri,
Near Mbharti School, Ambala,
Haryana, India (134003).
